

*Paula Boland*

Dear Neighbor,

When I was six, my family moved to Granada Hills to seek a better life.

The Valley had the safest neighborhoods and the best schools. People found affordable homes, good jobs and wonderful orange groves.

Unfortunately, we can't make the same claim today. Things aren't what they ought to be. Some would say the San Fernando Valley is destined to become urban sprawl without a future. To them I say, you don't know the San Fernando Valley!

As your next L.A. City Councilmember, I will work with you to keep the Valley moving forward, so it will always be a great place to live, work and raise our families. I would be honored to have your support and vote.

Sincerely,

Paula Boland

## Paula Boland has earned a reputation as a leader who's delivered on her promises.

She's served us as a business leader, California Assemblywoman and member of the L.A. Charter Reform Commission.

Now she's ready to be our next Los Angeles City Councilmember.

## CRIME

### **More Police On Our Streets**

L.A. has become the murder capital of the country. Gang violence and murder have risen sharply here in the Valley, yet city hall refuses to put more police on the streets!

*Paula Boland is a crime fighter!* As a member of the state legislature, Paula chaired the Public Safety Committee, co-authored our tough "3-Strikes-And-You're-Out" law and wrote "1-Strike" legislation that locks up child molesters for 15 years to life.

As your councilwoman, Paula Boland will demand that the Valley finally receives more police to patrol our streets and push to fully implement community-based policing and re-institute specialized anti-gang units immediately.

## EDUCATION

### **Break Up L.A. Unified!**

Paula Boland believes that every school should be a neighborhood school so parents can partner with teachers to give every child an opportunity to succeed.

That's why she wrote the law that gives parents the ability to break up LAUSD to create smaller, independent school districts.

Paula Boland also wrote the "Safe School Campus Law," allowing school principals to expel any student found with a knife or gun on campus.

## TRANSPORTATION

### **Reduce Gridlock**

Traffic gridlock robs us of family time and it hurts our local economy.

Paula Boland supports better planning to reduce neighborhood traffic; by monitoring development in the middle of our neighborhoods, we can begin reducing back-ups along Topanga, De Soto, Balboa, Reseda and other major streets.

She's also opposed to the Los Lomas project that will place 10,000 more cars onto the Balboa corridor every day.

## FAIRNESS

### **Let's Get What We Pay For**

Every year the San Fernando Valley sends more tax dollars over the hill than is returned in government services.

Those frustrations were the inspiration for Paula's state legislation to allow parents to break up the LAUSD and to give the San Fernando Valley the right of self-determination.

As our city councilwoman, Paula Boland will provide the leadership needed to insure that the Valley finally receives its fair share of city services.

**Paula has written our best laws!**

- 3-Strikes-And-You're-Out! (co-author)
- 1-Strike-And-You're-Out, targeting child molesters
- School Campus Safety Law, allowing expulsion of troublemakers who bring weapons to school
- Legislation allowing the creation of a Valley city and our own school districts

**Because actions speak louder than words, Paula Boland has earned our trust. Please vote for Paula Boland for Los Angeles City Council.**
